

LYONS-DECATUR NORTHEAST SCHOOL HOME OF THE COUGARS

EMPOWER ALL STUDENTS TO ACHIEVE

WE BELIEVE... All people have strengths. All people can learn. Education must adapt to societal needs. Learning is a lifelong process. All people benefit from a safe, positive, and respectful environment. Education is a cooperative responsibility of students, families, school, and community. All people need to develop foundational skills.

Lyons-Decatur Northeast Schools is located in Lyons, NE, and offers many opportunities to students, including PAWS, an Afterschool Program for students grades K-6. The district is in a sports coop with Bancroft-Rosalie and goes by the name BRLD. The district benefits from supportive staff, community and school board. The 2020-2021 school year theme is "Dream Big, Make a Difference".

Lyons is on Highway 77 between Fremont and Sioux City, Iowa. Decatur is a village adjacent to the upper Missouri River. Camping is available in both communities. Families can go fishing at Lyons Park, in Decatur, and at Summit Lake. The Missouri River marina and ramps for boating are nearby. Lyons Water Park and Pool, which opened in 2016, offers two water slides, a lazy river, a diving board, lily pads, and lots of other fun features that make it the perfect place to spend a summer day. A defining part of Lyons identity is the outdoor community theater, which hosts movie nights among other gatherings with seating for around 100 people.
