## CENTURA PUBLIC SCHOOLS

### A SCHOOL COMMUNITY ABOUT STUDENTS, EXCELLENCE AND EDUCATION.

NASB is accepting applications for Superintendent of Schools on behalf of Centura Public Schools. Centura is a Class II school and is accredited by the NDE. Centura is a rural consolidated district located 20 miles northwest of Grand Island, and includes the communities of Boelus, Cairo, and Dannebrog. The district has a PK-12 enrollment of 485 students who come from within 214 square miles surrounding the school. The mission of Centura Public Schools, as an innovative educational system, is to provide for all students educational experiences that will prepare them for an ever-changing 21st century society.

These educational experiences begin in Centura's Preschool and continue through post-secondary opportunities. Centura's dedication to providing students with skills necessary for the 21st century is evident in its technologically rich environment. Secondary school students enjoy the benefit of a 24/7, one-to-one, computer program, extending campus walls to home and beyond. This initiative supports the District's Vision statement which is a school community about students, excellence, and innovation.

The communities offer the beautiful Centura Hills Golf Course, outdoor activities like hunting and fishing, bowling in Cairo, scenic walk-bike path in Dannebrog, a well-known steakhouse in Boelus (The Gold Nugget), organized community groups, and more.
